**100<sup>th</sup> Anniversary Celebration:** As part of the countdown to the 100th Anniversary of St. Michael's, the Centennial Committee is asking long time Parishioners to be interviewed and tell us their stories of days past in the Church. Some of those memories will be shared in the weekly bulletin under the title: '**I remember when.**'

**I REMEMBER WHEN:** I remember when living in Toyko, Japan in 1970's-80's, St. Michael of Redford, Michigan was growing. One time in Tokyo, I broke my big toe and went to St. Luke's hospital. I had been attending St. Nicholas Orthodox Church located on a Springwell in Ochanomizk (Tea-Water) Tokyo. St. Luke Hospital was the oldest hospital dating WWII. My great uncle Michael Zdam died in Japan as a WW II POW. I recovered from toe surgery in Tokyo without a tow truck, as I used the subway. Thanks to St. Michael, St. Luke & St. Nicholas. From Donna Marie Glover

**FYI: Perhaps you have noticed** that the Sunday bulletins have not quite coincided with church holidays and important commemorations. Vestal Publishing, our bulletin provider, is no longer printing Sunday bulletins. We are now using bulletins that we have accumulated over the past years and will make every effort to have them coincide with important dates, but sometimes that may not be possible. We hope you will consider this as you receive the bulletins. The *important* church information that you may need will be in the inside.
