**Time Capsule:** As many of you know, we are planning to remove the time capsule as part of our 100th year celebration. The time capsule is located in the corner stone in the front of the Church. Now comes the real question: what do we put back in there to be opened many years from now? We have had several suggestions such as a current St. Michael's phone directory, a roll of pennies (which might be worth a lot of money then), one of Dr. Tony's themed neckties, and Monte's coffee apron. What would you like to see in the capsule? Please share any ideas with Tammie Kerrigan or any other member of the Centennial Committee.
