**DO YOU BELIEVE?** In one of the Gospel Lessons after Pentecost, Jesus is saying,

*“Do you believe that I am able to do this.?”* **People are trying to save themselves these days by all kinds of power – white power, black power, waterpower, air power, flower power, and political power. All the powers have failed – only one remains, God’s power, “Christ,” said St. Paul . . . “the power of God and the wisdom of God.”**

To know God in Christ is not an intellectual discovery, it *is* that, but it is far more. It is an experience of power, not something that we achieve, but something God put into us. Ask the twelve fishermen how they were able to shake themselves free of their weaknesses and go out to change the world and they would answer, “It was not us, it was nothing at all in us . . . it was Christ”. “Do you Believe that I am able?” Yes Lord!

**HAPPY FATHER’S DAY to all the living Fathers of our parish! God Grant You Many Years!**

**MEMORY ETERNAL to all our Fathers who have passed to life eternal!**
